## From Eliyahu

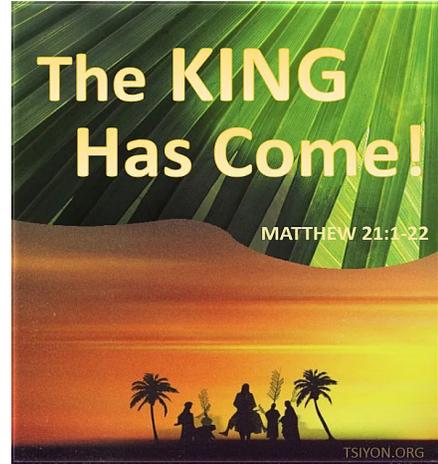

Hello friends,

Nearly two millennia ago the Son of God, son of man, son of David, presented Himself before the people of Jerusalem as the long awaited King Messiah. The promise was that He would be very different than the kings of this world:

"A throne will be established in loving kindness. One will sit on it in truth, in the tent of David, judging, seeking justice, and swift to do righteousness." Isaiah 16:5

Imagine a government built on truth, justice and righteousness! This is what the hearts of the masses have so often yearned for. We find high-sounding declarations and proclamations declaring such excellent pillars of government in the founding documents of great nations, and government leaders often portray themselves as being such people. Mostly, this turns out to be a show for public consumption, a farce to fool people to get their support, an obscene hypocrisy designed to pacify the masses.

Governments of this world may say they uphold truth, justice and righteousness, but this is far from the true intention of most government leaders. The overriding goals of kings, presidents and legislators throughout history have amounted to two things: money and power. Corruption, scandal, abuse and dirty secrets are constantly obfuscated by deception, manipulation, blackmail and even murder - lots of murder.

**Governments murdered 262 million unarmed citizens in the 20th Century.**

Mass killing by government is called democide, and it is not rare.

Let's start with a number: 262 million. That's the number of unarmed people the late Prof. R. J. Rummel estimated governments murdered in mass killings he termed "democide" during the 20th century. "This democide murdered 6 times more people than died in combat in all the foreign and internal wars of the century," he wrote. [source: <http://www.hawaii.edu/powerkills/>]

Governments may claim to serve the people, but the rule throughout history has been that government is actually by, of, and for, a powerful elite few, very often at the expense of the people the government claims to serve.

The fact is, the last things the ruling elite want from a government leader are truth, justice and righteousness. That would seriously work against their self-serving system of influence and corruption! Not surprisingly, history tells us that they will do anything - ANYTHING - to protect and preserve their elite power structure. This is, in fact, what we are witnessing on an unprecedented global scale right now, as the global elite and their minions work tirelessly to push the world into a global government system that will allow them to rape, steal and murder on a scope never before witnessed by mankind - and they will make the world beg them to bring that system to its ultimate fruition. This is all coming at a pace that will soon rock the world.

Who can possibly stand up to the evil elite power structure of the world?

Only King Messiah!

On the day He rode into Jerusalem as King He proved that He is not afraid of the evil powers that rule this world. Yes, they killed Him for it. The truth, justice and righteousness that He represented were just too much of a threat to their evil order, so they were only too quick to eliminate Him with extreme prejudice. They thought they would nip this "movement" in the bud by making a frightful example of Him.

Those power-drunk fools had no idea that in killing Him they were dooming themselves and their own evil system, and beyond that, setting the gears in motion that will soon bring the entire evil system of this world, now at the end of the age, to its long awaited destruction.

They did their worst. They killed Him. They could not imagine that He would rise from the grave as their worst nightmare, but that is exactly what He did - and that evil system was brought to its end in that very generation.

Yes, He is alive and He IS King, and their is not a single thing they could do to stop that ..or that the global elite today can do against Him now!

He is the one and only rightful King. He is the King of my heart.

What about you? Do you accept Him as your King?

That's the only reason the evil world system has gotten this far - to allow time for the people of the world to make their choice. Every person must decide if they will throw in with the evil world system or whether they will surrender their allegiance and loyalty to the one King who truly deserves it.

Y'shua Messiah, the King!

Hi Remnant Brothers and Sisters!

Shelia here.

With Messiah's help, We've been making progress on the building project, despite local temperatures up to 111 degrees! That's not a typo. In fact, the temps have been over 100 everyday for quite a while. This has not stopped us from working on the project though. Lately we've been working on the walls for the shop, preparing to put in a garage door.

The tent and "sails" are giving us shade to work on the project.

We are creating shade to block the 100+ degree sun, to continue work on the project.

Once we finish the shop area, and some other odds and ends, we will be moving on to put on the roof. We need more materials now, to get that job done. Offerings for that purpose will move the project forward.
