"Be still, and know that I am Elohim. I will be exalted among the nations. I will be exalted in the earth. YHWH of Armies is with us. The Elohim of Jacob is our refuge. Selah." Psalms 46:10+11

From Elijah

Tonight is our second month Passover celebration, that we have been anticipating for weeks. Our Tsiyon family here in Texas would like to share this Passover online with you and your family.

Here is what we have planned:

8:00 to 9:30 PM CST - Introduction and timely teaching entitled: *Where is your Covenant?*

Our Tsiyon family here in Texas will be taking our Passover meal during this segment of time. If the timing works for you, you might want to take your Passover meal at this same time too.

During this time we will stream: *Where is your Covenant?*

This is a specially edited version of a Tsiyon Academy teaching of mine, that is very appropriate for this occasion, based on Luke 22. During His final Passover meal with His disciples Messiah instituted the New Covenant. Luke records the event, saying;

He took bread, and when he had given thanks, he broke it, and gave to them, saying, "This is my body which is given for you. Do this in memory of me." Likewise, he took the cup after supper, saying, "This cup is the new covenant in my blood, which is poured out for you."
Luke 22:19-20

With these words Messiah, our Passover Lamb, forever attached the New Covenant to the commemoration of Passover. Yet, many people, even Bible scholars, have grave questions about the most basic aspects of the New Covenant. This confusion among scholars and theologians has begotten confusion generally. When commemorating Passover and/or receiving the emblems of the New Covenant, it is important to understand the true meaning of the New Covenant with clarity, since that is such an important aspect of the celebration.

That's why, starting at about 8 PM CST we will be streaming this vital teaching, explaining the real meaning of the New Covenant that Messiah instituted. This teaching corrects errors from the past while reconciling issues having to do with the Church vs. Israel, The concept of the New Testament vs. the Old Testament, the relationship of the Remnant of Israel to the New Covenant, the relationship of Gentiles to Israelites, and much more. This word is sure to bring a lot of peace into this Passover, bringing all Scripture into unity on this vital issue.

After the teaching, there will be a few minutes of praise music and intermission.

9:30 PM CST to Conclusion - Live teaching and celebration of the Lord's Supper

[Have your unleavened bread and wine ready to partake in unity together!]

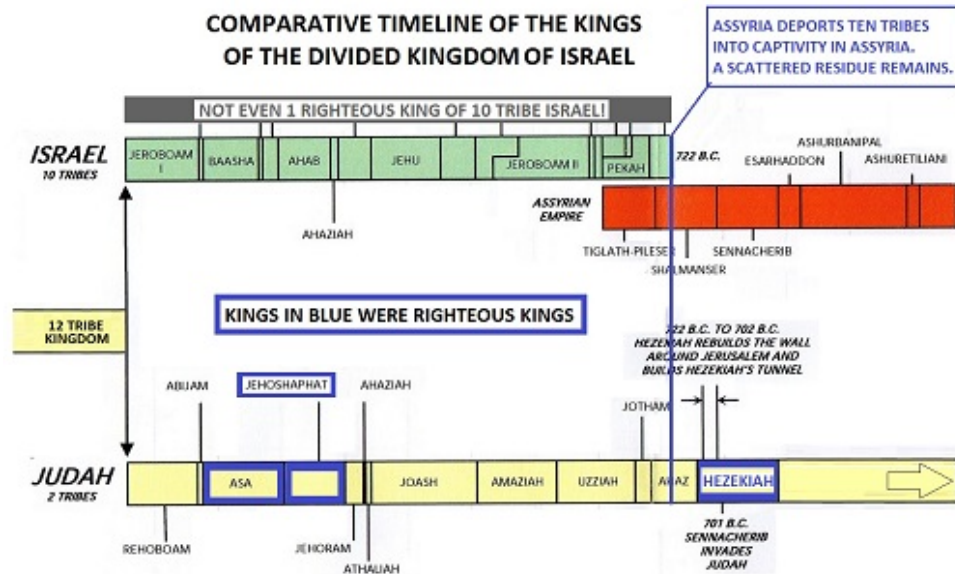

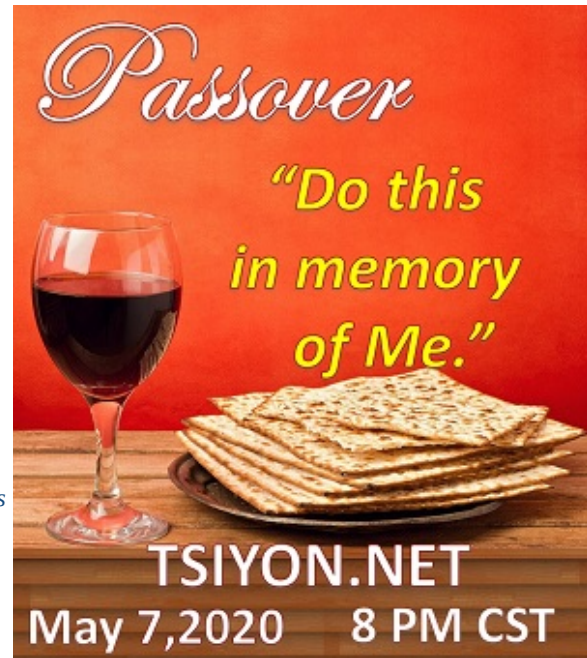

Teaching: *A 2nd Month Passover Covering for the Remnant of Israel*

Passover in the second Hebrew month is not usual, but is a Biblical alternative for special circumstances. For us, the onset of the Covid-19 pandemic created special circumstances, bringing on the need of a celebration of Passover in the second month this year. This has turned our focus to a second month Passover recorded in 2 Chronicles 30. This unusual Passover sponsored by righteous King Hezekiah was by no means inferior to a normally-scheduled Passover. In fact, it rates as one of the greatest and most blessed Passovers of all time! This Passover story contains a lot that is very relevant and encouraging for the Remnant today, and I know you will enjoy getting into it.

This teaching will lead us right into our celebration of the Lord's Supper, with a special meaning for the Remnant.
