From Eliyahu

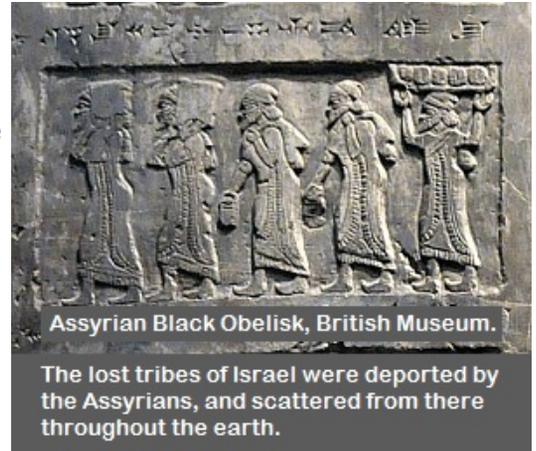

Consider this:

If you will join me for the premier of my new video, *Discovering the Nation Written in the Stars*, you will be witness to a jaw-dropping truth. Judge the evidence for yourself as you view this message. I believe the evidence is so clear you will be forced by the evidence to accept that the Creator inscribed a nation in the stars when He created the stars, and that remains so to this day! Adding to the weight of

this astounding fact is that He wrote this in the heavens before He ever even created Mankind! That's right. This amazing discovery of a nation written into the heavens by the hand of God speaks of a nation of Divine destiny, already a reality in the mind of the Creator before time as we know it began. The implications of this discovery boggle the mind. In fact, bring us right into the mind and heart of God, where we see with perfect clarity a nation that is so dear to Him, and so central to His plan in creating the world, that just knowing that fact helps us to know Him in a whole new way.

Indeed, the tribes of Israel have long been scattered across the face of the whole earth. To the eyes of man it appears that Israel has long since been assimilated by the nations of the world. Even those scattered Israelites who are aware of their identity may feel that it is of no use, to hope for a reversal of their scattered condition. Yet, when we look to the stars and see the twelve tribes of Israel written there, we gain a new perspective. YHWH Himself urges us to look up and see, and understand that He does not change. Israel is not forgotten! YHWH says:

To whom then will you liken me? Who is my equal? says the Holy One. Lift up your eyes on high, and see who has created these stars, who brings out their army by number. He calls them all by name. By the greatness of his might, and because he is strong in power, not one is lacking.

Why do you say, Jacob, and speak, Israel; 'My way is hidden from YHWH, and the justice due me is disregarded by my Elohim?'

Haven't you known? Haven't you heard? The everlasting Elohim, YHWH, the Creator of the ends of the earth, doesn't faint. He isn't weary. His understanding is unsearchable. Isaiah 40:25-29

Though the world may be in turmoil, and even our own lives be in distress, we must remember: YHWH does not change! The tribes of Israel are written in the stars. What more do you need to know that our Grand Creator will not forget us!

These are some of the things I am pondering in awe about, as I am starting to lay out the evidence for you in this new video series. This message is so astounding that many others, had they discovered this, would see this as a ticket to fame and fortune, and would keep it a secret until they could somehow market it to personally benefit from this astounding information. Here I must warn anyone who highjacks this truth as their own, to profit from it, that if you do that, a curse will fall upon you from heaven itself, for committing such an evil and unholy deed. This truth written into the heavens is there to draw any and all honest-hearted people into the heart of the Creator. This is personal between YHWH and His people, so is something holy, and is not to be traded like a piece of meat. This is something precious, and therefore very sensitive, to the heart of our Grand Creator. Don't mess with the Holy One of Israel! All would-be opportunists have now been warned.

Our Father revealed this amazing truth to me for a reason. He knows that I am in the fear of God and will treat this as something of personal importance to Him, and will freely share it with His people, wherever they may be. I am deeply humbled by this privilege to be a messenger of such a grand discovery, and am determined to faithfully discharge this duty, by His grace. That's why all of the videos in this series [*The One and Only Nation Written in the Stars!*] are being produced and shared at no cost to viewers. We at Tsiyon are distributing these as widely as possible and we would be very grateful if you would freely share these with whomever you can as well.

Part Two of this video series will be premiered tonight, entitled: *Discovering the Nation Written in the Stars*. This entire series is being made available to the public, but we want you, all of our Tsiyon friends and Partners, to see it with us, at this

premier showing. Invite your friends and relatives to see this with you tonight, at tsiyon.net, at 8 pm cst. As always, signup at the website is free. I'm looking forward to hear your feedback after viewing the video.

Blessings and good health to you!
