Welcome!

This evening Passover will have arrived, and I want to invite you to join us for this 2021 Passover memorial. Passover, as you know, is a time when we celebrate the deliverance of Israel from slavery in Egypt. On that level, it is a celebration of God-given freedom. For this reason alone, the celebration of God-given freedom, Passover deserves to be celebrated. Freedom is so vital to the ability to make valid choices, including the choice to follow Messiah. Without freedom it becomes

much more difficult to follow Him as fully as He deserves. Over the last 2,000 years many believers, under the thumb of despotic regimes, have faced and labored under such oppression. For example, the Pilgrims who fled religious oppression to come to America in the 1620s. Freedom to worship the God of the Bible was so precious to them they were willing to brave the ocean in a shockingly small and precarious wooden sailing vessel of only 100 feet long, the Mayflower, not knowing what hazards they would face in the new world. They put their trust in "the Great Jehovah" and established a place of freedom in America at great cost to themselves.

Today, that freedom that the Pilgrims planted in America is quickly running out toward believers. Oppression is growing in America and around the world. Anyone who pays attention can see that oppression coming in like a thick fog on a gloomy day. This Passover is a good time to thank YHWH for the freedom we still enjoy in Yeshua our Messiah, and to rethink how we can put that freedom to work for His Kingdom, so long as we are able to do it. *"Do this, knowing the time, that it is already time for you to awaken out of sleep, for salvation is now nearer to us than when we first believed. The night is far gone, and the day is near. Let's therefore throw off the works of darkness, and let's put on the armor of light."*  
Romans 13:11-12

In this world, freedom is not free - it must be won.

The most important freedom of all is freedom from the condemnation of sin, which condemnation is unto eternal death. That was our pitiful state, before Yeshua came to fight that battle for us. He loved us, and became our champion, by accepting the amazing role of our Passover Lamb. Like an innocent lamb, he accepted all the affliction and oppression the world and the devil could throw at Him, and He did so unto death - our death - to pay the price for our sin - not His sin, for He had no sin. He didn't have to do it. He did it because He loved us, and because we could not free ourselves from the awful effects of sin.

Tonight at Passover we will remember what He did for us 2,000 years ago, to set us free from the awful consequences of sin. We identify with Him in the New Covenant, by partaking of the emblems of unleavened bread and wine, representing our sharing together in the body and blood of Messiah. If you would like to share with us in this Passover and "Lord's Supper" remembrance of Him tonight, here are the details you need to know.

We will begin tonight at 8:00 PM CST with a live stream of our meeting. After our opening, we will stream a Passover message for you. This message is designed so that you can listen to the message while you are enjoying your Passover meal, if that works for your Passover. If you are doing something different, for example having your own Passover message, you can still rejoin us at 9:30 PM CST for a live memorial of the Lord's Supper. If you have your own emblems of the unleavened bread and wine at home, you can partake of them along with us during this time, with remnant people partaking of Messiah in unity around the world.

To join us for this special Passover meeting, log in to Tsiyon Tabernacle and look near the top of the home page for the meeting stream link. All believers are welcome. If you've not registered or signed in yet, please do so now. It is free and simply requires your email address to sign up. We look forward to sharing with you in Passover 2021!

Blessings and good health to you!

Eliyahu
