*History of True Israel and the Judaic and Christian Schisms*

You must understand the past to be ready for the future.

Understand Hebrew and Christian History - Finally!  
Hebrew and Christian history overlap in the first few centuries after Messiah's first coming. To understand the origins and continuation of the true faith, this history, which is often confused, must be sorted out. These well documented messages, taken in order, will make this history crystal clear, in its full implications for believers today.

You are invited..

..to attend two special Tsiyon online meetings, tonight and tomorrow night. These back to back meetings mark important days in the Hebrew year, and we want to share some of our most important information with you on these special days. This information is spiritual dynamite!

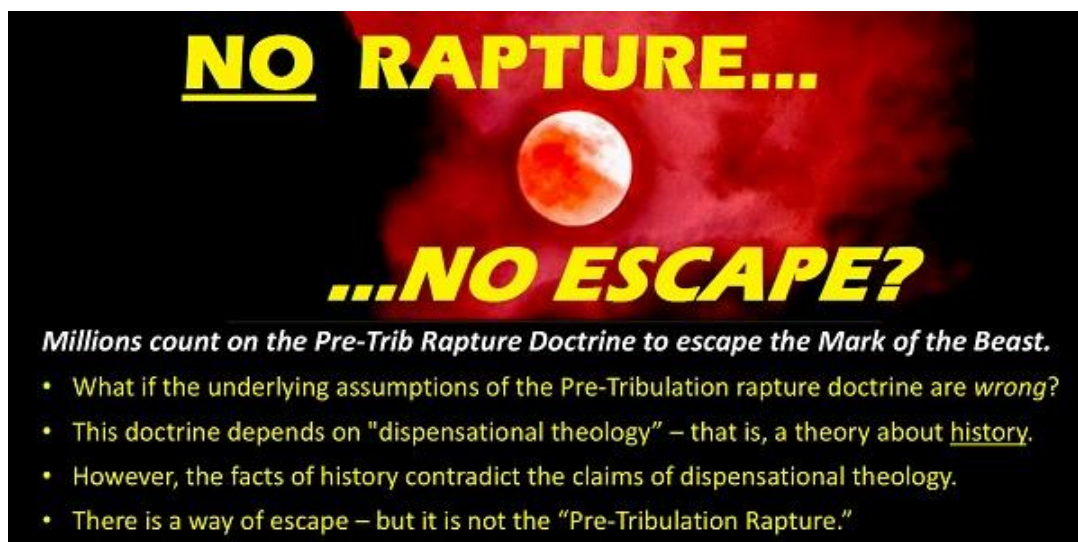

It's interesting that the Appointments that YHWH has set for His people all relate to time, to events of history (both past and future). Because YHWH is real, and is the Lord of All, He is the Lord of History. He had a plan from before the founding

of the world that only He could have formulated. His plan allows for all intelligent beings in heaven and on earth to exercise free will, yet all that happens has been incorporated into His plan that works out through the unfolding of real events in time - in history. The prophecy recorded in Scripture is nothing less than history written in advance, showing His absolute Godship and power over all He has created. His Word combines spiritual truth with historical fact, indelibly imbedding His fingerprints in both, certifying the Truth from Him. This is why we must get a grasp of historical facts and events as they relate to His plan and His people. The pursuit of historical truth as it relates to His plan and people has been a life-long passion of mine, and what I have discovered through that spirit-led pursuit brings amazing clarity to some of the most pressing issues believers face.

All of this and more is why "*History of True Israel and the Judaic and Christian Schisms*" is our over-arching theme for our Fast Track messages this third Hebrew month. Tonight's presentation kicks off this series with a look at history that will unmistakably tear away the false historical claims on which the Pre-Trib Rapture teaching is based. No doubt, you have friends and relatives who are depending on this false doctrine to escape from the Great Tribulation and the Mark of the Beast. Imagine what could happen to them when that means of escape doesn't happen! These folks need to test that doctrine now!

The pre-trib rapture derives from the theological theory of *dispensationalism* - a theory about history. That foundation can be easily tested by comparing the historical claims of the theory to the actual documentation of historical facts. Did the things claimed actually happen or not? If not, then the entire theory is bogus. While digging into this, clarity comes in many other areas as well. This message will lay the groundwork for understanding the origins of the true faith, and of the Judaic and Christian movements that are still with us today. Really, everybody needs this information! Don't miss this.

**Invite your Christian friends to see this with you - tonight at our Tsiyon Meeting!**

**NO RAPTURE...**

**...NO ESCAPE?**

*Millions count on the Pre-Trib Rapture Doctrine to escape the Mark of the Beast.*

- What if the underlying assumptions of the Pre-Tribulation rapture doctrine are *wrong*?
- This doctrine depends on "dispensational theology" – that is, a theory about history.
- However, the facts of history contradict the claims of dispensational theology.
- There is a way of escape – but it is not the "Pre-Tribulation Rapture."

Tomorrow on the Hebrew Calendar (May 20,2021 on the secular calendar) at sundown begins the day of *Shavuot*, better known to many as *Pentecost*. The Christian holiday of "Pentecost" should not be confused with the Biblical feast, since it is not even kept on the same day as the Biblical *Shavuot*. "The Christian holiday of Pentecost is a moveable feast, which is celebrated on the 50th day (the seventh Sunday) from Easter Sunday." [wikipedia[dot]org/Pentecost]

The Christian Pentecost is based on Christian mythology that reckons the Pentecost of the Bible as the birthday of the Christian Church. When I say "mythology" here it is really a polite way of saying "a lie that millions of people have come to believe." How could it be a lie if so many people have believed it for so long?

According to *the Scientific American* here's how that can happen:

*Joseph Goebbels, minister of propaganda for the Nazi German government of the Third Reich, understood the power of repeating falsehoods. "If you tell a lie big enough and keep repeating it," he asserted, "people will eventually come to believe it." This phenomenon, pervasive in contemporary politics, advertising, and social media, is known in cognitive psychology as the "illusory truth effect."*

The Christian Church was using the *illusory truth effect* long before Goebbels used it, and long before the term was ever coined. The Christian lie about Pentecost is only one among many lies that were invented by the Church to veil the truth, that truth being that the Christian Church actually originated when the Gentiles broke away from the original movement of Messiah and His apostles in the 2nd century. That's right. The Church is a schismatic break-off group from the original movement of the apostles, not that original movement itself. This historical truth is addressed in detail in this Fast Track series about history. The Biblical Pentecost, in actuality, is an Israelite holy day that was given to Israel at Mount Sinai, that is entirely an Israelite thing. More about that at our Shavuot meeting tomorrow night.

Our Fast Track feature for tomorrow night's meeting is entitled "The Great Judaic Schism" and fits perfectly as a Shavuot presentation. Please join us for both of these meetings, tonight and tomorrow night, at Tsiyon.Net at 8:00 PM CST. Both of these presentations have been re-mastered, and are better than ever. I'm really excited about sharing these, and this whole series with you!

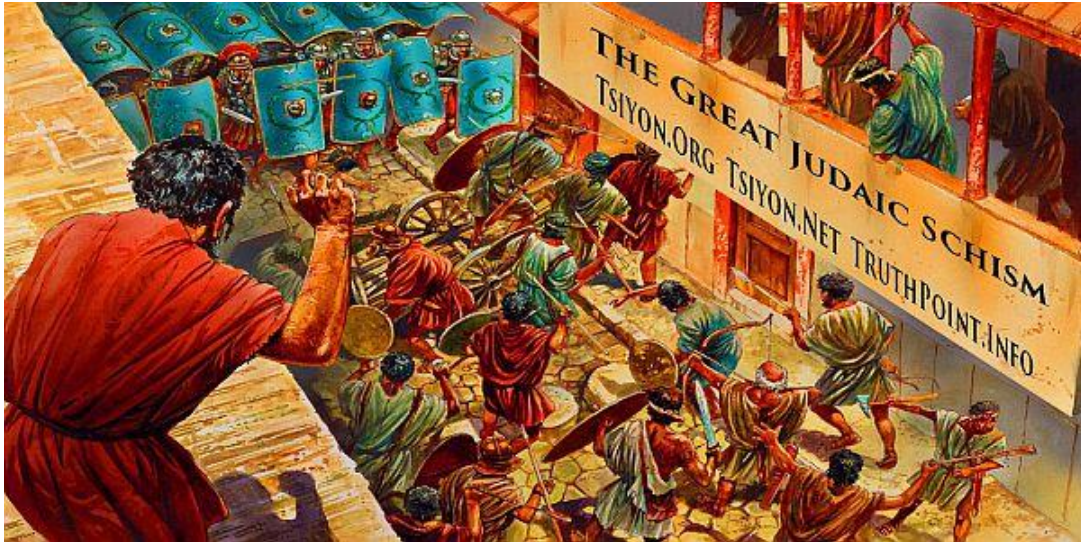

Blessings and good health to you!
