Don't miss our live online Tsiyon Meeting at Tsiyon.Net tonight!

THE GREAT GENTILE SCHISM

"[Paul said] For I know this, that after my departure savage wolves will come in among you, not sparing the flock. Also from among yourselves men will rise up, speaking perverse things, to draw away the disciples after themselves." Acts 20:29-30 NKJV

From Elijahu

Consider this:

Personal salvation is available to everybody through Yeshua Messiah, by grace through faith. Since it is personal, it is between you and Him. Where you go for fellowship is secondary, so far as your personal salvation is concerned. Many religious bodies would like you to think you must go through them for salvation. However, the Scriptures make it very clear that salvation is through Messiah, and through Messiah alone. Every believer should know this, because it is attested by popular Bible verses such as these:

"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life." John 3:16 NKJV

"For there is one God and one Mediator between God and men, the Man Christ Jesus, who gave Himself a ransom for all" 1 Timothy 2:5-6 NKJV

Since this is true, does that mean it really doesn't matter where you associate for fellowship and teaching? If all that matters to you is your own personal salvation than it might seem so. However, there is another factor that must be considered. That factor is: the Will of God for you. Sadly, most believers behave as if they care a lot more about their own personal salvation, and what they can get from that, than they care about the will of God. Yet, doing the will of God is connected with salvation, in Scripture. For example, we have these verses:

[Messiah speaking] *"Not everyone who says to Me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of My Father in heaven."*
Matthew 7:21 NKJV

For you have need of endurance, so that after you have done the will of God, you may receive the promise. Hebrews 10:36 NKJV

And the world is passing away, and the lust of it; but he who does the will of God abides forever. 1 John 2:17 NKJV

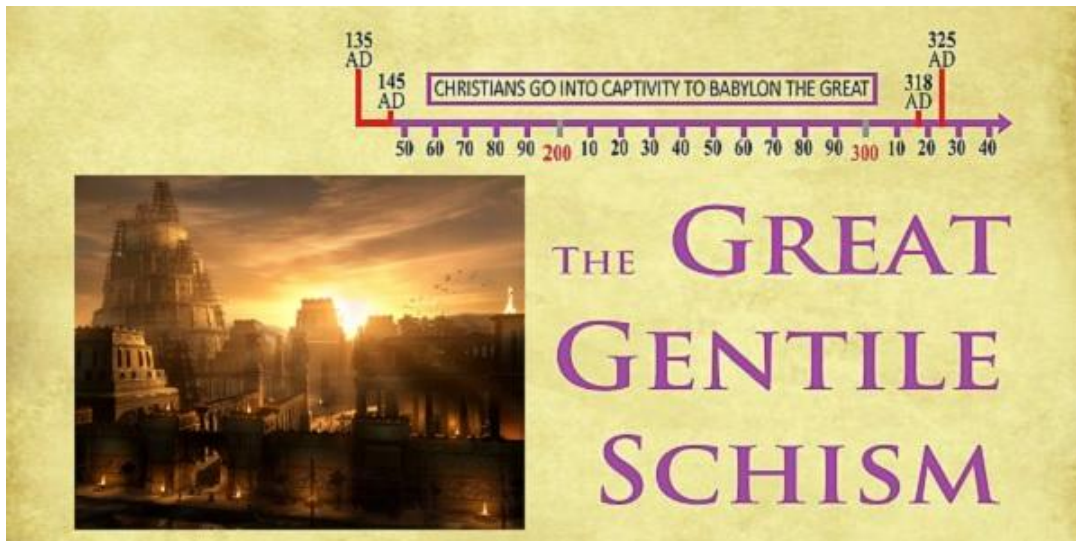

These verses, and others like them, indicate that the will of God should rightly be the first concern of every believer. Really, every consequential decision a believer makes should be driven by the Father's will for him/her - and that definitely includes one's spiritual affiliations. Yet, most believers continue to select their place of spiritual affiliation the same way they shop for everything else - according to popularity, comfort, and feel-good emotions.

This helps to explain how millions of believers down through time, though saved, have been held captive by the false religion system collectively known in Scripture as "Babylon the Great." Many millions have received salvation through Messiah, only to affiliate with a counterfeit religious organization. Of course, such affiliation has been devastating in many ways for those who have thus become religious captives.

This is where a review of the early history of the Messiah movement can be very liberating. That's because this captivity to Babylon of which I speak started early, in fact, in the 2nd Century. This is why the Church of history is so different in character from the Assembly of the New Testament. If you truly want to be set free from Babylon, you need to learn about, and grasp the implications of, the

Great Gentile Schism. You can do that at Tsiyon.Net, tonight, for free.

Invite your Christian friends to see this with you - tonight at our Tsiyon Meeting!

In my last newsletter I pointed out that there are many sincere believers held captive in Babylon, while thinking that it is His authentic body. All of these believers need to learn the historical truth about this, to escape their captivity. These words from the Book of Revelation speak to them:

"I heard another voice from heaven saying, "Come out of her, my people, lest you share in her sins, and lest you receive of her plagues. For her sins have reached to heaven, and God has remembered her iniquities." Revelation 18:3-5

We are presently living in a time of judgment of this world. Just look around and you will know that is true deep in your spirit. Babylon is going down, and her fall will be great, with a lot of pain for everyone associated with her. Get the facts now, before that happens. Please join us online tonight at Tsiyon.Net at 8:00 PM CST for *The Great Gentile Schism* - and please invite your Christian friends.

Blessings and good health to you!
