From Elijahu

Consider this:

Many have heard of the Lost Tribes of Israel. They are called "lost" for a reason: on the whole, they have not been found, even if some individuals and small groups may have been. Some think the Lost Tribes were assimilated into the Jews, but the Jews themselves say otherwise. Here is an excerpt from the *Jewish Encyclopedia* commenting on the Lost Tribes:

*According to the Bible, Tiglath-pileser (II Kings xv. 29) or Shalmaneser (ib. xvii. 6, xviii. 11), after the defeat of Israel, transported the majority of the inhabitants of*

the Northern Kingdom to Assyria, and placed them in Halah and Habor, on the stream of Gozan, and in the towns of Media. In their stead a mixed multitude was transported to the plains and mountains of Israel. As a large number of prophecies relate to the return of "Israel" to the Holy Land, **believers in the literal inspiration of the Scriptures have always labored under a difficulty in regard to the continued existence of the tribes of Israel**, with the exception of those of Judah and Levi (or Benjamin), which returned with Ezra and Nehemiah. **If the Ten Tribes have disappeared, the literal fulfillment of the prophecies would be impossible; if they have not disappeared, obviously they must exist under a different name.**

The point here is that the prophecies of Scripture are so specific and prolific stating that there will be a re-gathering and return of a remnant of the lost tribes in the last days that the very veracity of Scripture, and dare I say it - of God Himself - hangs on this becoming reality. And yet, if there are no known lost tribes of Israel anymore "the literal fulfillment of the prophecies would be impossible." That's perfect, because those same prophecies tell us that this will happen because YHWH, the God who does the impossible, YHWH, the God of the whole House of Israel, can and will do it! In doing this miracle YHWH will make Himself known in this world as the living God of Scripture who made a covenant with His people Israel, and who kept it by a miracle that only He could perform. He has put His own Great Name on the line with this promise. He has done that deliberately, so that when He fulfills His word towards His remnant nation, "*The nations shall know that I am YHWH who sanctifies Israel, when my sanctuary shall be in their midst forevermore.*" Ezekiel 37:28

Ezekiel chapters 37-39 reveal the amazing plan of YHWH from His own mouth. Note these words:

***The nations shall know that the house of Israel went into captivity for their iniquity; because they trespassed against me, and I hid my face from them: so I gave them into the hand of their adversaries, and they fell all of them by***

*the sword. According to their uncleanness and according to their transgressions did I to them; and I hid my face from them. **Therefore thus says the Lord YHWH: Now will I bring back the captivity of Jacob, and have mercy on the whole house of Israel; and I will be jealous for my Holy Name. They shall bear their shame, and all their trespasses by which they have trespassed against me, when they shall dwell securely in their Land, and none shall make them afraid; when I have brought them back from the peoples, and gathered them out of their enemies' lands, and am sanctified in them in the sight of many nations. They shall know that I am YHWH their Elohim, in that I caused them to go into captivity among the nations, and have gathered them to their own Land; and I will leave none of them any more there; neither will I hide my face any more from them; for I have poured out my Spirit on the house of Israel, says the Lord, YHWH!*** Ezekiel 39:23-29

Notice that YHWH connects His own Holy Name with the fulfillment of this prophecy regarding "the House of Israel." This is prophesied to happen in the "latter years" (38:8). The Remnant are now scattered among the nations, just scattered individuals. He knows where all of them are! When re-gathered for His purpose, they shall be His answer to the giants of the modern world who have rejected their Creator, and have instead put their faith in chance itself, which they call "evolution" as their Creator. They have new gods; the gods of "science", "technology", and "globalism." They are taking over ownership of this world and all that is in it - ignoring the fact that there is a Creator who owns this world. The elite are using all of this to steal everything. Their message to the world population is "you will own nothing and you will be happy." They will own it all and enslave the entire population of the planet!

This IS their plan and they are working that plan, now on a very short time scale of just a few more years to completion. The world is doomed to slavery, but individuals can still escape. YHWH's answer, that He has kept hidden and reserved for the final showdown, is the Scattered Remnant!

The segment of the Tsiyon Fast Track we are starting with tonight's presentation uncovers the mystery of the Scattered Remnant. Join us tonight at Tsiyon.Net at 8:00 PM CST to prepare yourself for the showdown between good and evil, that is now roaring toward some of the most challenging times the world has ever known, or will ever know again. Right now, the Scattered Remnant are the key. Be with us to uncover these mysteries, ahead of the curve.

Blessings and good health to you!
