From Eliyahu

Consider this:

America has been completely humiliated in the eyes of the entire world. This will, of course, change the trajectory of world events, and not for the better. How did this happen, and who is responsible? Well, a lot of people, even people who normally are boosters for the party of Joe Biden, are so disgusted with his recent performance as regards the Afghanistan debacle that they publicly blame him. He, on the other hand, publicly remains unrepentant and generally unengaged in any meaningful mitigation of his mega-disaster, so far as reports indicate. Realize, I don't say this out of political bias against Biden, since I am not a supporter of

any political party or potential candidate for office. My loyalties are all directed toward the Kingdom of Messiah as our only real hope for a bright future, so I say this about the Biden debacle solely as an observer of the obvious facts reported to the public, as they relate to Scripture.

To be clear, I think solely blaming Biden for the humiliation of America is too easy. While his lapse is self-evident, something as big as this cannot be simply the mistake of one man. This humiliation is a judgment on America for decades of arrogance and moral failure on the part of America, and America's leaders. The weight of the sins of America have grown so great they are now crushing the life out of her. While America may manage a last gasp toward survival, in the end America as we've known it is over.

The ultimate force behind this collapse of America was well stated by the prophet Daniel: *"Blessed be the name of Elohim forever and ever; for wisdom and might are his. **He changes the times and the seasons; he removes kings, and sets up kings; he gives wisdom to the wise, and knowledge to those who have understanding; he reveals the deep and secret things; he knows what is in the darkness, and the light dwells with him.**"* Daniel 2:20-22

It is thereby established by the inspired Word that America has been given the government that America deserves, according to the judgment and the justice of God. Surely, more moral and competent people are available to rule America, yet these are not the people running the country. That the incompetent, the ungodly, the traitors, and the reprobates are the rulers of America, tells us nothing less than that Elohim has given the country over to the consequences of its own evil.

George H. W. Bush meets with his national security advisors in the Camp David situation room on August 4, 1990.

Joe Biden is seated in the Camp David situation room by himself during the Afgan troop drawdown debacle and aftermath. **He's there, but where are his national security advisers?**

Humiliating America before the world is part of the globalist plan.

Personally, I believe the US military is far too professional not to see what would happen if they pulled out their troops while leaving civilian Americans, and allies,

behind. This was not the strategic drawdown of forces the American military is fully competent to accomplish, and normally would have accomplished.

Look carefully at the picture above of Biden sitting alone in the situation room at Camp David. Notice all of the empty chairs, except for Biden's, surrounding the enormous conference table in the situation room. Normally in a crisis those chairs would be filled with the administration's top level talent to work together to deal with any crisis. Biden is there, so where are all the rest of the people, the top level national security advisors that should be there? No one would have to tell them they needed to be sitting in those chairs. Logically, they were told by someone above their pay grade, even above the president's pay grade, not to show up. This is a planned humiliation of America - the work of the globalist deep state putting another nail in America's coffin in the sight of all the world, while leaving Biden twisting in the wind to take the heat.

In the Spirit, I've been seeing judgment on America coming for years, and have not held back from an open Jeremiad pointing out the signs. Here are just a few examples:

1. Cracks in America #295 - Aug 26, 2011
 2. Washington Shaken but Not Stirred #296 - Sept 2, 2011
 3. How Did This Become The United States of Sodom? - April 27, 2016
 4. Will Nationalism Trump Globalism? - June 26, 2016
- And finally: 5. Signs America is Doomed - Jan 15, 2021

Many didn't want to believe me, especially during the Trump era, in which many held onto the hope that America would be great again, and the fall of America would be averted. In my video message *Will Nationalism Trump Globalism? - June 26, 2016* even before Trump was nominated I indicated the globalists would eventually overthrow Trump and his supporters, and would renew the globalist vision with a vengeance. At this point the overthrow of America is transpiring and we are rapidly moving into the final throws of the fall of American. Under cover of the bio-weapon pestilence and DNA-altering injection, it is the globalist machine that now dominates the world.

The Plan: Collapse America into the United Nations

So where does repentance fit in? Where do I even start? Don't expect the corporate oligarchy that is gutting America from within to repent, since they have gotten, and are getting, outrageously wealthy in the process. Don't expect America's lapdog politicians who have abdicated their sworn responsibility to represent the interests of the American people to repent. They are enjoying far too many perks and profits to meaningfully block the globalist takeover of America. Don't expect the corrupt "healthcare" system to repent of its murderous abortion chop shops, making untold millions of dollars ripping off organs of helpless unborn babies while still alive, to cash in on the huge demand from the scientific research community. Don't expect the Church leaders of America to finally take a meaningful stand against the social engineering destroying American families, including radical feminism, and the whole slew of immoral absurdities demanding that we all accept good as evil and evil as good. From top to bottom the whole system of America, and of the world, is irredeemably corrupt. That's just the beginning. The bottom line is this: Judgment is falling upon the world system, and as part of that judgment America is going down.

How about believers in America? Do we have anything in this to be repenting of? You know we do. For one thing, many of us made an idol of America, as if America is the savior of the world. Every idol raised up in competition with the true Savior must be torn down - and now this one is. What will you do? The good news is, there is still time to repent of that misplaced loyalty. We can invest our national loyalties where they should have been all along - in Messiah's nation, the tribal nation of Remnant Israel. This is the nation of Divine Destiny written in the stars. This is Messiah's nation, into which all of the righteous must run, if they would avoid the judgment on the world system just ahead. (2 Cor 10:3-6, 1 John 5:21)

The greatest nation in the history of the world is not America. David made this point in prayer to YHWH: ***"What one nation in the earth is like your people, even like***

*Israel, whom Elohim went to redeem to himself for a people, and to make himself a name, and to do great things for you, and awesome things for your land, before your people, whom you redeem to yourself out of Egypt, from the nations and their gods? **You established for yourself your people Israel to be a people to you forever;** and you, YHWH, became their Elohim!" 2 Samuel 7:23-24*

I know this is a huge mind-change for many, a paradigm shift of major proportions. That kind of mind change has always been required to escape times of Divine judgment. Only eight people were able to manage such a paradigm shift to survive Noah's Flood. Only four people were saved from the destruction of Sodom, and that with loss and difficulty. Over forty years the righteous remnant in Judea made the needed paradigm shift to flee before the awful destruction of Judea, Jerusalem and the Temple fell upon the wayward and unrepentant majority of the nation. We are living in a time of decision like that right now. Get on your knees and pray that you might escape the judgment soon falling upon all the worldly nations! (Luke 21:34-38)

Our Fast Track message tonight reveals a great deal about Messiah's tribal nation, and its Divine Destiny. Join me tonight at Tsiyon.Net at 8:00 PM CST for our online Tsiyon meeting, and lets keep making that needed paradigm shift together.

Blessings and good health to you!
