The One & Only Nation
Written in the Stars!

*Recent Signs in the Sun,
Moon, and Stars*

*"There will be signs in the sun, in the moon, and in the stars;
and on the earth distress of nations, with perplexity"*
Luke 21:25

From Eliyahu

Consider this:

Signs America is Doomed is a video message that Tsiyon put out in 2020. That video highlights signs in the sky that I explain in the video as meaning, well, America is doomed. Recent world events support that picture, with America becoming the laughing stock of the world. Trust me, this will keep getting worse until America has completely fallen. This was not the first sign from above that America is headed for doom. I pointed out other signs back in 2011, and on several other occasions since then. These signs are not astrology. They are

literally signs from YHWH of Last Days events, which signs were prophesied by Messiah to occur during this time period. He said; *"There will be signs in the sun, moon, and stars; and on the earth anxiety of nations.."* Luke 21:25

I know this sounds suspect to a lot of people, with good reason. That's because so many predictions have been made by well-meaning Christians on the basis of some heavenly sign, only to disappoint in the end. One example is the tetrad moons of 2014/2015. These had the earmarks of a sign, falling as they did on the biblical feast days of Passover and Sukkot two years in a row. Indeed, books were written in advance claiming to explain this sign. Predictions were made that this sign was heralding "the pre-trib rapture of the Church" during those years. When those predictions failed many Christians gave up on signs in the sky.

Actually, the Tetrad Moons were a true and accurate sign. The problem was not with the sign, but was with faulty interpretations. The first clue, ignored by most who were trying to interpret the sign, is that the Tetrads ALL occurred on Hebrew feast days! In other words, this sign was for Israel. Making this about the gentile "Church" was an obvious error indeed.

So, what were the Tetrad Moons really about?

Part of a Bigger Sign

Actually, the Tetrad Blood Moons are not a complete sign in themselves. They are a part of a much bigger and more complex sign of things having to do with Israel - but effecting the entire world. This will all be explained in our Fast Track message at tonight's online Tsiyon meeting. I'll also bring in more Scriptural teaching on the matter that I haven't shared before. However, my point right now is this: All of these signs in the sky are for Yah's Remnant people in these Last Days. As such, the meaning of these signs is not revealed to anyone else and cannot be understood by anyone else. Only the Remnant of Israel can grasp what these

signs in the sky really mean! Why is that?

There's more than one reason. To begin with, Tribal Israel is the one and only nation written in the stars, as well as being connected up with the stars in prophecy. This is because Israel alone is eternally connected with the Creator of the stars from before any nation was ever even formed on the earth. YHWH chooses to communicate with Remnant Israel through events in the Sun, Moon and stars to underscore that unique eternal connection Israel alone has with Him. He means this to be a huge encouragement to His remnant people in the last days, because through this celestial connection we are reminded that He knew our struggle from before the founding of the world, and He built these signs into the universe to appear to us exactly when we need them! We need not be in awe of the almost magic technology of our enemies, or of their worldly power - because our God has perfect control of His universe, of us, and of them! They don't have anything like the eternal Godship and power that YHWH has manifested to His remnant in these Last Days through His signs in the sky! Be not afraid, for our God is the Almighty and He fights for us! (Gen 15:5, 22:17, 26:4, 37:9, Judges 5:20, Jer 31:35-37, Dan 12:3, Rev 12:1)

Friends, there are a lot of stupid people in the world who have no clue of what is really going on. That's because so many people only focus on their own desires and pleasures that they don't care about anything else. This was true in Noah's day and it is true today. However, we are also seeing a growing minority of people who are paying attention to a new oppression taking over the world. Many are now pushing back against the descending tyranny, while many others are perplexed and fearful of the future. We are living in a time of great turmoil and upheaval as the sea of mankind churns and foams up troubles and anxiety everywhere. In this uncertain time the signs in the sky underscore the promises YHWH has made to His people in His Word, to give us direction and comfort as He gathers His remnant nation. My advice is this: don't embroil yourself in the world's battles. Instead, draw close to Him and His remnant people, and prepare yourself to be included in the wonders He is doing to make His Name great in the midst of His people! Stand with His Kingdom! (Matt 24:37, Ex 15:11, Ps 89:5, Dan 4:2+3, Joel 2:30)

Friends, its on. The globalists are making covert war on mankind, to subjugate the human race to a super-wealthy elite. This is what is driving world events between now and the start of the Great Tribulation in a few years from now. While we will see a growing resistance we also know from Scripture what the end of this struggle will be. The world government will succeed in taking control of the whole earth by the power of satan. If anyone thinks they can avoid the tyranny by prepping out in the woods somewhere, they are gravely mistaken. The beast has

both the motivation and the tech to find you anywhere. Yah's plan is to gather His people into one well-ordered nation in our own Land, in advance of the Tribulation, where He will be a wall of fire around His people! If this makes sense to you, join me tonight at Tsiyon.Net at 8:00 PM CST for our online Tsiyon meeting, as we look to the signs in the sky, and prophetic Scripture, pointing the way forward through this time of turmoil, on to victory in Messiah. (Rev 13, Zech 2:4-7)

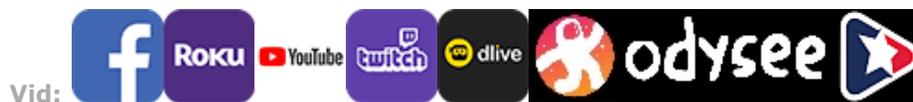

Blessings and good health to you!
