Don't miss our live online Tsiyon Meeting at Tsiyon.Net tonight, featuring:

From Eliyahu

Consider this:

I watched a movie last night about a man who was seeing unusual patterns in his life in the city around him. These patterns kept recurring and seemed to be moving toward a climax. When he told others about what he was seeing they said something like "This is a city. Everything is happening here all the time. If you are looking for certain things as part of a supposed pattern you will find them. That really doesn't mean anything." As it turned out in the movie, those patterns did mean something, leading to a dramatic climax in which those patterns were finally

resolved. Of course, that was just a movie, but it reminded me of something the apostle Peter wrote:

*"In the last days mockers will come, walking after their own lusts, and saying, "Where is the promise of his coming? For, from the day that the fathers fell asleep, all things continue as they were from the beginning of the creation." 2 Peter 3:3-4*

Peter knew that the prophetic Scriptures foretell a pattern of world events, all over the course of a single generation, that would be a sign that Messiah was about to return. This would, of course, mark the end of the world as we know it, so would effect everyone. Peter points out that during that very "last days" generation, when the prophesied pattern is in fact in the world, "mockers" would deny it, declaring everything to be normal. That mocking in itself is part of the pattern making up the Last Days sign.

The sign is complex, with all parts making up a unique signature, as if written by the hand of God. These involve notable changes in the natural world, in the spiritual world, and in the world system of mankind. Signs in the sun moon and stars, along with the signs prophesied in Scripture must all come together in the same generation to mark that generation as different from all others in very specific ways - The generation called "The End of the Age."

When the signs in the Word, and the signs in the sky, all come together in the world, then the End of the Age has come.

**These signs are in the world!**

The Fast Track messages we have been watching this month have revealed unique signs in the sky that match up in meaning with the prophetic Word. We will be considering the last of these messages about the signs in the sky at our live meeting tonight. If you haven't seen all of these yet, please go back and see

them. Certainly, you will not want to miss this final video tonight on this topic either. Even the fact that the meaning of these sky signs has been revealed in our time is very significant. These sky signs on this generation fit the pattern for the End of the Age.

Now that we are finishing up on the sky signs we want to turn to the prophetic Word for this Age with our Fast Track messages. This coming month, month 7 on the Bible calendar, is a significant month each year, when we always have something special for you. True to that custom, we have something very special for you throughout the upcoming month!

You may remember that in month 7 of 2015 we presented a live seminar called "*Beasts of Daniel Surfacing*." The purpose of that seminar was to show in detail how certain prophetic signs from the prophet Daniel were very specifically starting to be in evidence in 2015. Now, by 2021, that prophetic picture has filled out a lot more. For this month 7 we have re-mastered that Daniel seminar to HD standards, making it a lot easier to view and follow. We have 7 of these re-mastered Daniel Seminar Fast Track videos that we will be presenting online at our Tsiyon meetings throughout month 7. At those meetings we will follow up those messages, bringing out specific facts showing how what we presented in 2015 has progressed by 2021. Really, the speed at which the prophetic picture of Daniel is unfolding is breathtaking!

Now that you know what we are planning, we want to tell you when.
