Don't miss our live online Tsiyon Meeting at Tsiyon.Net tonight, featuring:

From Eliyahu

Consider this:

I love Sukkot! It starts this evening at sundown and runs for 8 days. I like the first day the best, because it is Messiah's birthday! We have a teaching about that for you on Tsiyon Radio from our *On the Road to Tsiyon* Series. That's #38 *Messiah's Birthday* and it airs at 10 AM+PM CST and 4 AM+PM CST on the 23rd. Sukkot is all great, a time of thanksgiving, joy and freedom. Its also prophetic of the Divine Plan. We are focusing a lot on things having to do with the Divine Plan all this month as we reconsider the prophet Daniel and give you an update of our Daniel Seminar.

Speaking of the Divine Plan - YHWH is amazing! His Plan totally anticipates all aspects of the enemy plan. He can do that, of course, because only He knows the end from the beginning. To say the enemy plan is extensive would be a gross understatement. It is, in fact, diabolically brilliant. Furthermore, YHWH is giving the world's elite a free hand to do their worst. Their plan is deceptive beyond belief and includes every aspect of the earth and life on it. It is incredibly detailed. It includes you and everyone else on the earth. The elite behind the plan describe your future this way: "You will own nothing and you will be happy!" Doesn't that sound fun? There is a hard deadline for bringing their plan for global domination into full effect - that's why they call it AGENDA 2030. The phase of that plan that the world is now groaning through is called *The Great Reset*. These mega-changes called THE GREAT RESET will define the remaining years until AGENDA 2030 is fully realized.

Are we having fun yet?

"Here is the endurance and the faith of the holy ones." Rev 13:10

The truth is, I would like to be talking a lot more about Sukkot right now, and a lot less about the enemy. However, timing of world events effecting Yah's people (and everyone else) demands that we focus on the situation at hand. In fact, Just within the last few days, and ongoing, major steps are being taken to push THE GREAT RESET forward. Just yesterday the Secretary General of the United Nations put it this way: "We face the greatest cascade of crises in our lifetimes." That is the best definition of the Great Reset I've heard so far. It is not just one crisis - the Covid crisis. Oh no. That was just to get the ball rolling faster. Now they are bringing in "the greatest cascade of crises in our lifetimes!" A cascade of global crises, one after the other, after the other, over the remaining years of this decade - until the world population is so tired out and decimated by all the global troubles (made very personal to everyone) that the people will have nothing left in them to resist the final implementation of AGENDA 2030.

This major movement in the enemy's plan requires a major movement for each of Yah's people. You won't be able to avoid "the cascade of global crises" just ahead, anymore than you could totally avoid the effects of Covid. This cascade of troubles is designed to effect you, and change you, personally! Furthermore, each new crisis will likely be more intense than the last, until the world is crying out for the UN to finally save them! We, all of us who are a part of His holy people, need to focus on this challenge before us, right now!

That's why Tsiyon is revisiting *The Beasts of Daniel Surfacing* Seminar at this time. This seminar offers valuable information that will fortify you for what we are going through. Here is the remaining schedule of meetings where we will be focusing on this:
