The Revelation of Yeshua Messiah,
which Elohim gave Him to show to
His bond-servants the things
which must happen quickly. Rev 1:1

TSIYON.NET - TSIYON.ORG

From Eliyahu

Consider this:

Revelation is full of mysteries, beginning in the very first verse. Further, some of those mysteries are such even to Bible translators, and through them, influencing English Bible readers. This is not at all unusual, starting in the very first verse of Revelation. Here is a translation example of that verse as it appears in the *New American Standard Bible*:

"The Revelation of Jesus Christ, which God gave Him to show to His bond-servants, the things which must soon take place.." Revelation 1:1 NASB

Most English translations agree with the translation of the word *soon* here. Bible critics sometimes point to this verse to discredit the Bible, saying 'Revelation includes the end of the world in its message, that it says must happen soon - that was almost 2,000 years ago! That's not soon! The Bible is wrong.'

No, the Bible is not wrong!

Bible translators were wrong in using the word *soon* in this verse! The Greek word here in the ancient manuscripts is the word *tachos* [G5034]. The *New American Standard Exhaustive Concordance* gives us this definition of the Greek word *tachos*:

Tachos; from G5036; **speed**: - quickly (3), shortly (1), soon (3).

The word fundamentally defines moving with **speed**. Speed is a scalar quantity that refers to "how fast an object is moving." **Quickly** (fast) is the normal meaning of the Greek word. Only secondarily can it mean *shortly* or *soon*. There is a big difference between *quickly* and *soon* in these two translations. If the Revelation must "soon" happen then it would be reasonable to expect it to be fulfilled "soon" after it was written, two millennia ago! Clearly, 'soon' is the wrong translation!

If Revelation 1:1 translates into English with the normal meaning of the Greek word, then it should use the word **quickly**. Lets use that word in the translation, and while we are at it, we will also restore the name and titles of Yeshua and His Father to the verse. With those corrections, the verse says this:

*"The Revelation of Yeshua Messiah, which Elohim gave Him to show to His bond-servants, the things which must happen **quickly**.." Rev 1:1*

This verse, rightly translated, does not comment on *when* the events of Revelation must happen. Rather, when those events do happen they must unfold rapidly, quickly, faster than people expect, possibly catching many unprepared and unaware.

This matches up with the warnings of Yeshua in the Olivet Sermon, to be watchful and aware, because the end-time events will unfold suddenly upon the world, as in the "days of Noah." (Matt 24:37-39)

Lately, a lot of believers have been commenting on how rapidly the world is changing in conformity with Bible prophecy. Today we are seeing a lot that is foretold in Revelation and other Bible prophecy unfolding quickly upon the world! No longer is Revelation just a book of interesting symbols and mysteries. Now, it

has risen to a whole new importance for the end-time bond-servants of Yeshua, for whom this amazing book was written!

That's right! Revelation was written for the end-time bond-servants of Messiah who need to be informed in advance before the things that must happen quickly, as the Revelation message unfolds. Read the verse again:

"The Revelation of Yeshua Messiah, which Elohim gave Him to show to His bond-servants, the things which must happen quickly.." Rev 1:1

The "bond-servants" are not all believers, they are the ones who are actually doing the will of Elohim. They have a role in the events of Revelation and they need to know what's happening in advance so they can move in sync with the Divine Will as the quickly unfolding events of Revelation occur. That's why, in 2008 Yeshua gave me a view from the Judgment Court of Heaven showing me the fulfillment of Revelation from 1967 to the then-present events I was witnessing in the Spirit.

I saw Yeshua receive the scroll out of the right hand of the Father in Heaven, and I saw Him loose the first four seals in rapid succession! Without a witness from the vantage point of heaven we would never know when those four horsemen of Revelation were released!

I know, because I saw it. The four horsemen were released in the spring of 2008. I was given understanding of the horsemen, and of the other seals, and what the removal of those seals brings upon the world. In 2008 I set forward details about these Revelation events in a series of many hours of radio messages systematically laying out what had happened, and what would happen. Now, in 2021, a lot of that has already occurred, and continues to occur on a daily basis. As of this writing, five of the seals have been removed. That's right, only two seals are left to remove. When those last two seals are removed, they will be removed

very quickly, as were the first four seals. Once those two seals are removed the Great Tribulation will begin.

This is especially important for the bond-servants now, because we must prepare and make big decisions as called for in this short time before the last two seals are removed and the Great Tribulation begins. It is absolutely crucial for the bond-servants to be properly positioned ahead of time, before the last two seals are removed. If you are one of the bond-servants, those 2008 radio messages are a must. Since that involves a lot of listening you might find it hard to take in quickly enough, we have prepared a video summary of what has happened from Revelation already, from the very first verse all the way through to the present. This will get you quickly up to speed on where we are at in Revelation, after which we will present other videos in this series that reveal what's coming quickly after this.

Join us at our Tsiyon meeting online tonight at Tsiyon.Net at 8 PM, CST. Please invite others you know who would benefit from this Revelation video series. It is open to all Tsiyon members, including free members, as part of the Fast Track program. New free members can register online free to get access to this vital information. Yeshua's intention is for Revelation to inform His bond-servants of what must happen, in advance. That's what these Revelation videos are all about!

Blessings and good health to you!
