REVELATION COUNTDOWN

to the **TRIBULATION**

7 6 THIS HAPPENS NEXT!

The **SIXTH SEAL**

"I looked when He opened the sixth seal, and behold ..the sun became black as sackcloth ..and the moon became like blood ..And stars of heaven fell to the earth"

Revelation 6:12-13

The graphic features a dark red background with a large, glowing orange sphere (representing the sun or moon) in the center. A scroll with the text "THIS HAPPENS NEXT!" is draped across the sphere, with two red circular icons containing the numbers "7" and "6" on the left. The text "REVELATION COUNTDOWN to the TRIBULATION" is at the top, and "The SIXTH SEAL" is at the bottom. A quote from Revelation 6:12-13 is at the bottom, and the website "Tsiyon.Org - Tsiyon.Net" is at the top.

From Eliyahu

Consider this:

In 2008 I experienced a profound vision into heaven itself, wherein I was witness to then ongoing events happening there in real time. I saw the Heavenly Judgment Court convened in Heaven in the spring of 2008. It was time for the case against the whole world to be judged. The Ancient of Days sat on the Throne and presented a scroll in His outstretched right hand. In the scroll had been written the judgments that must take place on the earth to reveal the hearts of all men, so that a righteous judgment of each and every one of them can be reached within the remainder of one generation.

"He who acts unjustly, let him act unjustly still. He who is filthy, let him be filthy still. He who is righteous, let him do righteousness still. He who is holy, let him be holy still." "Behold, I come quickly. My reward is with me, to repay to each man according to his work." Revelation 22:10-12

The scroll had been sealed with seven seals from before the founding of the world. I saw that none was worthy to take that scroll and open its seals but One, namely my Lord: the Lamb, the Son of Elohim, the Lion of the Tribe of Judah, Yeshua the Messiah. I saw Him take the scroll out of the right hand of the Father on the Throne, ready to take command of all that is written in it. The courtroom scene I have just described can be found in the first five chapters of Revelation, and now the time had come for all of it to unfold starting right then, in 2008.

I saw my Lord, Yeshua, remove the first four seals in rapid succession immediately upon taking the scroll. The four horsemen of Revelation were then released upon the four winds, into the world - sent out to stir up the world to gather them forward to the time and events called in Scripture the Great Tribulation.

I told the world what I saw on my radio program "On the Road to Tsiyon" throughout the remainder of that year of 2008. The things I said began happening that fall, with the global economic crisis, and all the rest of it unfolding since then. In 2015 I saw the fifth seal released, and I saw the global government prophesied in Revelation concretely begin its rise in the world. Now, everybody who has their eyes open is seeing that happening too.

The next seal to be opened is the sixth seal. It is the most terrifying seal yet. No person who lives on the earth can in any way escape its effects. Millions will almost certainly die when it is opened, I believe, in the 2029/30 timeframe.

What I see coming is a huge celestial object so large it will block the sun. It's

gravity will cause the very earth to shift under our feet in an unprecedented global quake. Because of its size, the rogue celestial object holds a mantle of space-debris in its grasp, which will be attracted away by the gravity of the larger earth, to pelt the earth as if the very stars of heaven are falling upon our world. By all appearances this will seem to be an Extinction Level Event (ELE) - far beyond the capabilities of mankind to prevent. Mercifully, the Creator will not allow this loudest of wake-up calls to totally destroy either mankind or the earth itself, but it WILL get everyone's attention!

I can't prove it, but I believe it is likely the elite already know this is coming. Ask yourself; "Would they tell us in advance?" I think it unlikely that they would tell us, because if we knew we would be perceived as a potential danger to them. So how can we know that they are covering up this coming celestial catastrophe? Well, what would they be likely to do if they did know in advance?

Minimum, they would quietly start building luxury bunkers underground so that they could weather the event and come out later as the rulers of the world. They would likely pick an out-of-the-way location, say New Zealand, where many of them would build bunkers and hoard supplies, and where they could reconvene to rebuild civilization, post-disaster. For some of the elite that bunker scenario would not be an acceptable risk. They would want to get completely off of the planet. Some of them would opt to get off-world to the moon or even to Mars, so would now be promoting colonization of those off-world locations with unprecedented urgency, drive and enormous investment of billions of dollars. We would also see a great increase in space science and technology in countries around the world exploring the possibilities of mitigating or preventing impacts of space bodies with the earth.

While an approaching celestial disaster can still be covered up right now, the time is coming when everyone will be able to see for themselves what's coming, and mass panic on a global scale is then likely. The elite would anticipate this and see earth's billions as a potential threat to themselves. It sounds terrible, but I think they would want to reduce the population in advance to a size they could more easily manage. They would use stealth technology for this, things like bio-weapon viruses and genetically altering vaccines that would set up a biological chain reaction in which people's own bodies would create killer mutations to perpetuate death to themselves and as many other people as possible - all under the cover of mind-control propaganda and government coercion.

By hiding their depopulation operation under the guise of a global medical emergency the elite could avoid being blamed for the mass deaths, and so could those who are paid off or coerced to help them. For this scheme to work the free world, including countries of Europe, USA, Canada, the UK, Australia, etc would

have to become uncharacteristically totalitarian to force compliance with the bio-weapon agenda. Of course, that could never happen, right?

Personally, I think such a genocidal program of the elite in advance of global catastrophe, and a cover-up of the sort I am describing, can explain a lot of the otherwise unexplainable behavior in this world we've all been suffering through. If this is true, then the elite are making war on humanity right now, literally trying to covertly kill as many of us as possible. This means we are now living in the most dangerous time-period modern man has ever faced to date. Be aware that the world system is under the control of the elite. Everything you hear from the system is a con, so beware. Scary? Yes. Nevertheless, walk closely with Messiah and you will overcome.
