From Eliyahu

Consider this:

Are signs that we are fast approaching the Great Tribulation coming along fast enough these days? For example, are we seeing any of these things going on?

*For nation will rise against nation, and kingdom against kingdom. And there will be **famines, pestilences, and earthquakes** in various places ... **many will be offended**, will betray one another, and **will hate one another**. Then many **false prophets** will rise up and **deceive many**. And because **lawlessness will abound**, the love of **many will grow cold**. Matthew 24:7, 10-12*

The verses above are just a small part of the sign of the last days. However, just

these few data points are enough together to identify an era. Actually, we frequently see all of these things in the news and in the world around us, and of course, there is so much more. We know from Daniel, Revelation and other prophetic Scriptures that the last state of affairs on earth will involve a globalist government ruling the world. Have we not been seeing a substantial glimpse of that coming in with Covid and the Covid shots being pushed on citizens of countries around the world? This is only happening this way because, in 2015, all the nations at the UN literally voted in a one-world government to become fully realized in Agenda 2030. The world is being re-tooled for that! The Great Reset is pushing the one-world 2030 Agenda at warp speed!

Then, there are all of the weird coincidences, if you believe in coincidences, that keep popping up. For example, what about the weird new statue now in place at the United Nations? No doubt they have some logical explanation at the ready for the strange features of the statue, called "The Guardian of International Peace and Security." The Biblical theme of "Peace and Security" in that name is just a coincidence, right? (1 Thess 5:3)

That statue looks a lot like the strange beasts of Daniel and Revelation. I'm sure if you asked the folks at the UN about that they would laugh and tell you how dumb you are to say that, and that there is a perfectly normal explanation for the similarity to the Biblical beasts. They would certainly never think that this strange statue that is their artistic expression of their own corporate self-image could have been seen in advance by the Author of the Bible, identifying them in advance by the very sort of imagery by which they represent themselves. Surely, they would never give that much credit to the God of the Bible - but I would, and do.

UN Statue the Beast of Daniel & Revelation?!

"For when they say, "Peace and safety!" sudden destruction comes upon them..."
1 Thess 5:3

But I digress. The point is, signs of the times are racking up so fast that some believers think we are in the Great Tribulation already, while some others think it could break out any moment. How do you feel about that? Do you feel the breath of the Tribulation breathing down the neck of the world, about to strike at any moment?

According to Revelation 7, even this is a sign of the times. There in Revelation 7 the world is moving so quickly toward the Great Tribulation that it must be slowed down to allow for one of the most unknown, yet highly significant, events on the prophetic Last Days time schedule. I'm talking about the sealing of the 144,000 bond-slaves of our God! This is so important that the Great Tribulation must be held off until this amazing work can be fulfilled before the Tribulation commences. That's why the current events, which could break out into the Great Tribulation any time now, will not do so. The Scripture cannot be broken, and the 144,000 will be sealed before the Tribulation will be allowed to begin!

If you are like most believers you are curious about the 144,000, but really don't know enough about them to understand fully how they fit in to the prophetic picture. You need to know that, because this is the next big thing now in the works, before the Tribulation finally breaks out. Further, you might even be one of those 144000, and not know it yet!

Tonight's new Fast Track video, *Sunrise Messenger Seals the 144,000*, will give you a great start on this topic of the 144,000. You may be surprised to learn how much there is to know about this, and just how important it is.

Join me at our Tsiyon meeting online tonight at Tsiyon.Net at 8 PM, CST. Expect to get the pieces of the puzzle that have been left out of the picture by just about everybody. Oh, and by the way, you can invite your friends and relatives to sign-up free at Tsiyon.Net/register to see it with you.

Blessings and good health to you!
