END OF THE AGE

Remember this:  
the End of the Age is not  
just one heart-stopping moment.  
It is a series of years shaped like  
a funnel, with levels to overcome.

In any crisis those who accept reality early,  
and adapt with faith, courage and a sound  
mind, are the ones who overcome.

From Eliyahu

Consider this:

During the very first week of 2020 I sent out my first *Tsiyon News* of that new common year. I thought it fitting to let everyone know what to expect in the new decade. As you can see in the picture with caption below, reprinted from that 1/3/20 *Tsiyon News*, I said; *"Buckle up boys and girls, the next decade will be a wild ride!"* That very month, January 20, 2020, the CDC confirmed the first case of COVID-19 in the U.S. Very soon thereafter the whole world began to be turned upside down.

Since then the world-roller-coaster has been seemingly out of control, with one crazy twist and turn after another. The truth is, as our other picture below illustrates, we are just getting started on this crazy decade. Multiple funnel-like stages are yet ahead through the decade, to increase the pressure with each new stage. Where is all this pressure on humanity coming from? The answer is revealed.

**Are you feeling it yet?**

The wealthy globalist elite, under the banner of the *World Economic Forum*, stepped onto the world stage to announce the *Great Reset* in 2020. *The Great Reset* was, in fact, the name of the 50th annual meeting of the *World Economic Forum* (WEF), held in June 2020. It brought together high-profile elite business and political leaders, convened by Charles, Prince of Wales, with the goal of using the chaos of the COVID-19 pandemic to reshape the world system according to their elite plan, called "the Great Reset." What the world has been reeling from since 2020 is that Great Reset plan in action, with many painful and disruptive changes still ahead, all for the purpose of bringing humanity into submission in time for the new global government of the 2030 Agenda.

Before the WEF ever announced The Great Reset I was already warning about their globalist rise on the radio, in earnest, back in 2008. In 2009 I published a book explaining how I knew prophetic times, entitled "Announcing Judgment Day." I have been publicly pin-pointing events ever since.

Sometimes I'm asked how I have had such an accurate sense of the times. Actually, as the last century was closing out, and the new century was coming in, YHWH began directing my attention to His time-keeping, including the prophetic time-keeping of the Scriptures. Since then, He has kindly opened up an understanding of much regarding His times and seasons to me, much of which I pass on to you.

Realize this: all that happens is known to Him in advance, and He has it all laid out according to His time schedule, turning all things to the outworking of His Divine Will. (Isa 46:9-10, Daniel 2:21-22, Gal 4:4)

What is astounding about this is that all people, the righteous and unrighteous alike, are fully allowed by Him to exercise their free will. All of us choose by our own actions, or lack of them, the way our lives will go and where we will end up. Yet, while allowing all that, YHWH is still able to direct the flow of history through the application of His Divine wisdom and power, so that all things eventually work together to accomplish His Great Plan. He knows the end from the beginning, and this is proven by many time-prophecies that have already been fulfilled over the course of the ages. (Romans 8:28, Rev 22:11-12)

At this point in time, the clock is ticking down on the last years before the end of the ages of this world. In fact, this world and everyone in it is living through a time of judgment. If we make the right choices now we can be in the right place at the right time, and come through this well. If we don't bother with that, we will be sorry later. YHWH showed me His plan of the ages two decades ago, and in 2018 I presented a series of videos called "*The Ages of the World*" on that, showing how He has ordered the ages, and where we are in His plan right now. Since then we have remastered those videos, for our vital *Fast Track* line-up.

Join us tonight online as we reconsider this information in the light of the world of the 2020s - wow, have things changed a lot since 2018! Our Tsiyon meeting tonight starts at Tsiyon.Net at 8 PM, CST. These Fast Track videos are aired free, so invite your relatives and friends to sign-up at Tsiyon.Net, to see this vital presentation.
