and Orientation Meeting!**

From Eliyahu

Consider this:

We have arrived at this Hebrew Shmita Year of 6022, and tonight at sundown is the start of the first Sabbath of this year. We are excited about the future, but most people are something less than positive about the world in 2022, according to the WEF Global Risks Report. That report shows only 15.8% of people surveyed gave a positive response, when asked: "How do you feel about the outlook for the world?" While the world may be getting down in the dumps, those who know the Lord are feeling quite differently, as summed up in these words:

"But when these things begin to happen, look up, and lift up your heads, because your redemption is near." Luke 21:28

According to Scripture, the dense darkness we are seeing in the world in 2022 is actually signaling the time for Remnant Israel to rise up and shine! The prophetic

Scripture says this of Remnant Israel in these times:

"Arise, shine; for your light has come, and the glory of YHWH is risen on you. For, behold, darkness shall cover the earth, and gross darkness the peoples; but YHWH will arise on you, and his glory shall be seen on you." Isaiah 60:1-2

Here at Tsiyon, we see this Shmita Year as time for Messiah's Remnant People to rise up in Kingdom authority, to shine with His glory in the midst of the gross darkness now covering the earth. It falls to us, His Remnant Nation, in the power of the Holy Spirit, to make a Kingdom home for the righteous to identify with and run into, an alternative to the New World Order deception now herding the people of the world into a demonic global captivity.

How is it possible for the Remnant to accomplish this mission?

**Messiah was forceful
defending His Kingdom**

***"The Kingdom
of Heaven
suffers violence,
and the forceful
snatch it away
by force."***

Matthew 11:12

The Remnant can accomplish anything operating in Messiah's Authority!

There was a time when the Kingdom Nation was operating in the world as the one body of Yeshua Messiah. That happened after Messiah ascended into heaven and took up His place as Lord over His people. His body in the earth constituted one united Israel of Elohim under Messiah's Kingdom. There were no denominations or rival groups - just one united body with one united anointed leadership, moving as if one Man under the control of Messiah by the Spirit. Messiah appointed leaders for His people, whom He directed and energized to fulfill the Father's will each day. The world had never seen anything like this! That Remnant Assembly of Messiah brought the good news of the Kingdom to the entire known world in one generation! (Eph 4)

After that, in the 2nd century, so many Gentiles had come in they far outnumbered the Hebraic believers who maintained the original authority of Messiah. A vast Gentile multitude rejected Israel, and broke away to form the Christian schism that has dominated ever since. Now cut off from the Vine, that rebel stream eventually became the confusing mixture of truth and paganism that is broken up into hundreds of denominations and sects. Collectively, we refer to that as the Christian Church. The Kingdom has suffered hideous violence resulting from the Christian schism. (Acts 20:28-30)

Despite a sordid and violent history, the Christian Church still claims they are the heirs of the original body of Messiah that He founded and ruled from heaven, but the sectarian reality on the ground belies that claim. Yeshua said; "If a kingdom is divided against itself, that kingdom cannot stand." Such a divided kingdom cannot be the Kingdom of Messiah! (Mark 3:24)

Here I am not attacking the millions of sincere believers who have put real faith in Christ/Messiah. I am not saying they are not saved or are not His. What I am saying is that those sincere believers are unknowing captives of man-made organizations that are not ruled from heaven as part of Messiah's Kingdom! For example, this is easily proven here in America, where almost 100% of churches are organized as corporations that have obtained 501c3 status from secular government - not authority from the Kingdom of Messiah! Corporations get their authority from Caesar - not God. By contrast, Yeshua never founded a corporation under Caesar's control. He rules His Kingdom from heaven by His own Kingdom authority, and His Kingdom officers in the earth know they cannot serve two masters. In the Kingdom we bow the knee to none but Him, and serve together in holy array! (Rev 18:4+5, Matt 22:21, P2 110:3, Php 2:9-11)

Having abandoned the Kingdom government of Messiah long ago, and having divided up, and continually being divided up into more confusion than the Tower of Babel, it is impossible for the Christian Church to complete the stated will of the Father in the world. The Christian Church still claims the Kingdom as their own, but cannot/will not complete the Kingdom mission. This does violence to the Kingdom, which is intolerable at this late date. This is why the Remnant Nation must come on the scene in Kingdom authority in these Last Days. It is given to Remnant Israel to rise up in the Kingdom authority of Messiah, to fulfill the destiny of Israel, as foretold by all of the prophets. (Isaiah 46:3,13, Matt 7:15-23, Mal 3+4)

Remnant Israel must snatch away the Kingdom by force, from forces doing violence against it. Yes, this means war, not of the flesh but of a spiritual nature: unpleasant that may be, but it is oh, so necessary! Will you join the Kingdom army, or will you just wait around for someone else to do it? (2 Cor 6:6+7, 10:3-6, Eph 6:10-18)

Here at Tsiyon we believe the time has come for Remnant Israel to rise up in Kingdom authority to snatch back the Kingdom. We have plans for this in this Shmita Year of 6022, and we would like to tell you what we are doing. Like it or not, each of us is at war with spiritual forces of wickedness. Standing alone each of us is in a precarious vulnerable position, just defending ourselves. The predators always pick off the stragglers. By contrast, joined together as a united Kingdom nation, we can take back the things of the Kingdom and punish the devil and his evil forces for their offenses against the Kingdom. Doesn't that sound like a lot more fun? (1Peter 5:8, Ps 89:20-24)

Join me for our live Tsiyon meeting online at Tsiyon.Net at 8 PM, CST. Tsiyon is forcefully coming out against the enemy this Shmita Year, to seize the Kingdom.

Tonight I want to tell you what will be going on this year.

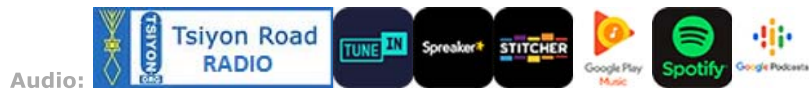

Blessings and good health to you,
