From Eliyahu

Dear Friends,

Passover has been celebrated every year, uninterrupted, for roughly 3.5 millennia! Celebrating Passover binds us together with faithful Israel over all of that time. Messiah and the early believers all kept Passover, and so should we. No wonder we look forward to Passover every year. Now, its time for Passover in this Hebrew year of 6022. All believers in Messiah are invited to join us Online for Passover!

Our introductory remarks begin at 8:00 PM CST. This will include a prayer and brief welcome, followed by a musical program for your enjoyment. You might like to listen to the Passover music in the background while enjoying your Passover meal, whether keeping Passover alone or with a group.

The LIVE Lord's Supper celebration begins at 9:00 PM CST: Believers from countries around the world will be participating together! Have your own wine and unleavened bread available to partake of together with us - whether you are a person alone, a family or a group, we can enjoy this sharing together - all one body in Messiah!

There is absolutely no cost involved.

Just login at [Tsiyon.net](http://Tsiyon.net) to participate.

Free registration is [here](#).

Tell your friends about it, so they can join in too.

The Lord's Supper is meant to be observed with other believers. Even if you and your family or group are all alone where you live, you can participate in this Lord's Supper with others like yourself around the world.

We look forward to this sharing together with you!

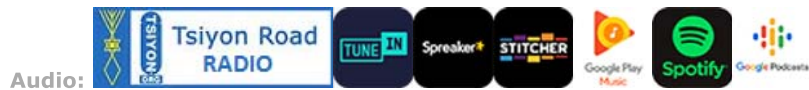

Blessings and good health to you,

Eliyahu
