Greetings,

Here's just a quick note to keep you informed:

Yom Teruah, also known as the Feast of Trumpets, and "the Day nobody knows" begins tonight at sundown. We have special teaching on the Holy Appointments of this 7th Hebrew month, and Yom Teruah specifically, on our radio station *Tsiyon Road* at Tsiyon.Org. Listen in to learn all about this special month, Month 7, on the Hebrew calendar.

The 7th month is always special, but this year even more so. That's because this is a Shmita year, *the year of release*, according to the calendar that YHWH has given His people. Important events happen on Shmita years, and this one is no exception. We will be having special meetings all month to share the very latest developments with you.

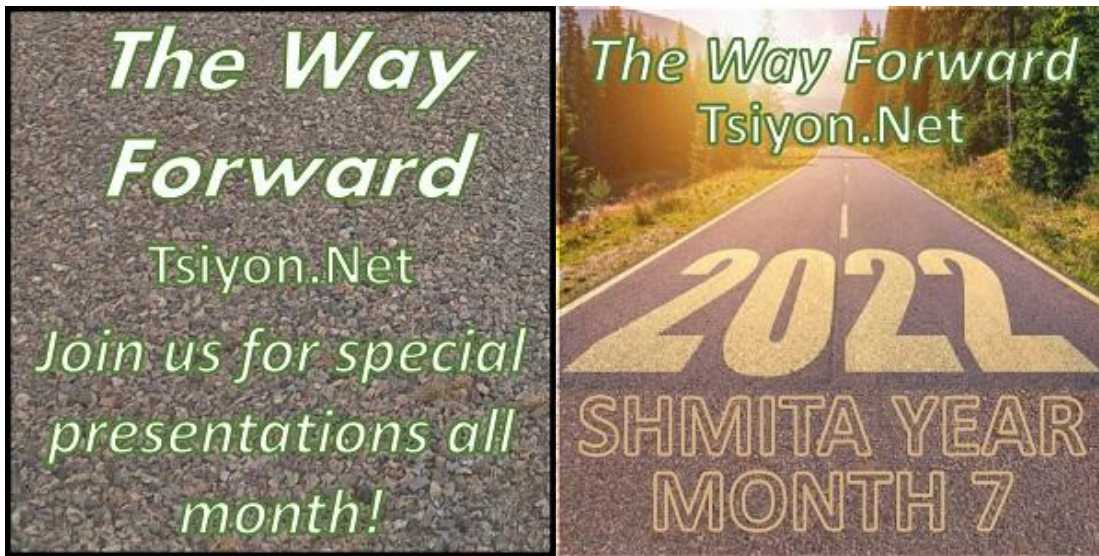

Our overarching theme for these 7th month meetings is "*The Way Forward*." We need this on so many levels. The world is not a very stable place right now, with just about everything in flux. How do we make our way through the world's mine field? Of even greater importance is the spiritual level. As followers of Messiah we face many challenges. What is our mission in this world, and how do we get it done? "The Way Forward" deals with that, and points a very clear direction to what is next. Please plan now to see it all, because it all goes together to point the way through the growing darkness before us.

Join me tonight for our online Yom Teruah kick-off meeting to this new seminar series, *The Way Forward*, at Tsiyon.Net at 8 PM, CST. **This is open to all Tsiyon members, including free members, all the way through Month 7.** Amazing opportunities in the Kingdom will be released through these meetings in this year of release!

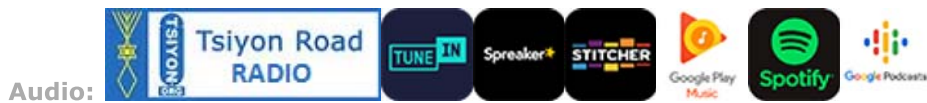

Yom Teruah Blessings,

Eliyahu
