Consider this:

Over two and a half millennia ago, Daniel the prophet of YHWH, and writer of the Bible book bearing his name, predicted the rise of a world government that will take the world to the brink of total annihilation. According to the prophecies of Daniel, that world government would rise quickly, setting itself up in opposition to the Creator, to dominate the entire world. In 2015 this ministry offered an 8 day seminar on the Book of Daniel, announcing that world government was then about to rise up on the world stage. The name of that Daniel seminar, still available at our website, is *The Beasts of Daniel Surfacing*. At that time in 2015 such talk of a global government was viewed by most as sensationalism and

conspiracy theory. So-called reputable people were not willing to publicly even discuss such ideas.

Just 7 years later that taboo topic has, by now, become a normal and frequent topic of public discussion. The entire world has recently come through a globalist scam that has enriched the super-wealthy while killing millions and incapacitating millions more. Perhaps even more alarming, have been the lock-downs, destruction of businesses, jobs and lives, and other tyrannical measures that have characterized even so-called free countries. An oppressive evil darkness has overspread the world. While many remain in a mind-controlled stupor, millions of others have been stirred by these unprecedented world events to evaluate the source - and they have found answers.

Doctors, lawyers, scientists, as well as a growing swell of ordinary people have felt an urgency to search for the real cause of the global misery. What these independent investigators have found as the root cause, through methodical, reasonable, and fact-based research, is exactly what Daniel predicted for the Last Days, and what I announced in 2015 - a globalist cabal unrolling a campaign to literally take over the world. Yes, truth is stranger than fiction.

The nexus of the globalist conspiracy seems to be closely connected with the World Economic Forum. One need only to view the statements of the WEF about themselves and their goals to come to this conclusion. This month the WEF convened their annual meeting. Were you invited? You would need to be a member of the WEF of course. "It costs \$1,30,000 to \$9,21,000 for annual memberships depending on the level of affiliation they want, according to the Associated Press."

It is not a stretch to say that most of the world's wealth is under the control of WEF members, which is, of course, the source of their power. This is how they are able to influence and control the world's politicians, media, entertainment industry, internet giants, and all of the rest of the world's greedy money grubbers. Anyone who thinks those ever-present tentacles of corruption will be overcome by free and fair elections simply doesn't understand how this satanically-controlled world really works.

One person who has demonstrated a thorough knowledge of how this world works is Elon Musk. Below is his recent comment on the WEF, and results of a poll he put out on Twitter. Clearly, he understands where this is headed.

Yes, "WEF is increasingly becoming an unelected world government" just as Musk has observed; the same world government I was pointing to in 2015, prophesied by Daniel thousands of years ago.

The Scripture cannot be broken. Despite the hope of many that America, Christianity, free elections, a pre-trib rapture, or hiding in the woods will thwart the globalists, all such hopes will prove mistaken. Nothing will stop the globalists from achieving their goal of total world domination by 2030. It will happen, with a long trail of death and destruction bringing it in. Where will all of that end up? Revelation identifies that world government with its eventual ruler, called "the beast".

He causes all, the small and the great, the rich and the poor, and the free and the slave, to be given marks on their right hands, or on their foreheads; and that no one would be able to buy or to sell, unless he has that mark, the name of the beast or the number of his name. Rev 13:16-17

The economic power we have seen wielded with huge effect by the WEF is a visible foretaste of the "mark" yet to come. Today, we know how computerized technology can accomplish exactly what this verse says, to "cause all" to comply. Don't doubt it. Exactly what this passage says WILL happen much sooner than most people expect.

Surely, the Creator has some alternative for the righteous to overcome the satanic power of the globalists?! He does, but almost nobody believes the Bible's message of what that is! Nevertheless, all of the prophets tell us that the instrument of YHWH in those days of tribulation will be the remnant of the Twelve Tribes of faithful Israel! Really? Yes, really!

What do you know about the twelve tribes of Israel? If our hopes to endure through the globalist onslaught just ahead lie with the Twelve Tribes of Israel as YHWH's provision, shouldn't we learn all we can about those tribes now? If you can see that logic then you need to get hooked up with Tsiyon. We have a complete picture on this, with hours upon hours of Biblical truth for the righteous to be in the right place when the inevitable happens. We want to share the treasures that have been given us with those who have the good sense to be blessed by them. If that's you, come to our website and get busy!

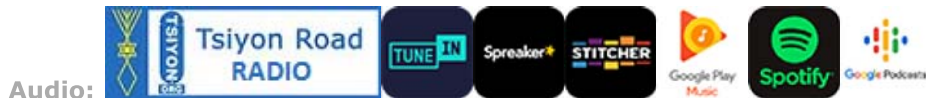

At our Tsiyon meeting tonight, at Tsiyon.Net at 8 PM, CST, we will be presenting a message on this topic: *Moses Blessed the Tribes of Israel Before his Death*. Moses blessing on the Tribes of Israel will teach you a lot about them.

Blessings and good health to you,

Eliyahu
