Announcing the start of the new 7 Year Shmita Cycle. Tsiyon.Net

From Eliyahu

Greetings Remnant Family!

Its my pleasure to announce to you that tonight at sundown, March 23, 2023, the first day of a new Hebrew year begins. Not only that, but this new day also marks the start of a new 7 year Shmita Cycle. The Shmita Cycle we are entering is the red zone on the illustration of **The Jerusalem Clock** I've created for you above. The hand of that clock points to the first year of the New Shmita Cycle.

The Tsiyon Team here at Tsiyon Headquarters is planning something special right at sundown tonight. I'm telling you about it in case you would like to do the same, wherever you live. In Luke 21 Yeshua sets out the signs of the end of the Age. He finishes up with these words:

“So be careful, or your hearts will be loaded down with carousing, drunkenness, and cares of this life, and that day will come on you suddenly. For it will come like a snare on all those who dwell on the surface of all the earth. Therefore be watchful all the time, praying that you may be counted worthy to escape all these things that will happen, and to stand before the Son of Man.” Luke 21:34-36

After blowing the shofar bringing in the new year, and new Shmita Cycle, the Tsiyon Team is planning to have a brief prayer time, praying in harmony with these words of Yeshua, that we "might be counted worth to escape" etc. In other words, worthy to be included in the upcoming Remnant Exodus. Now, right at the start of this vitally important Shmita Cycle is a perfect time for each of us to obey these words of Messiah. It is a great time to ask Him to reveal anything that might hinder us, and to help us overcome any obstacle in our walk that might prevent us from making the cut. We encourage you to do likewise, wherever you live. [To learn more about these words of Yeshua, find *The Coming of the Son of Man* on the schedule at <https://tsiyon.org>, and listen to it.]

The Jerusalem Clock: At our next regular meeting we will share about this clock at the top of this page, and its significance for you.

Passover: Passover will be held on the evening of April 5th. More about that at our next online meeting.

Orientation: Our first meeting with you for this new time period will bring you our plans for moving forward, and will help all of us to get oriented for what is ahead. Please don't miss this upcoming online meeting on our next Sabbath.

WHAT TO EXPECT NOW thru 2030: This is the name of our most recent message series. We are putting a banner on the homepage at <https://tsiyon.net> for you to click, where all four of those video recordings are available for you.

That's it for now. We are entering upon the most challenging years of our lives to date, but also the most potentially rewarding. I am praying for each of you, that you might have the heart of an overcomer, to make it all the way, enduring to the end, as Yeshua the Messiah leads.

In His Name,

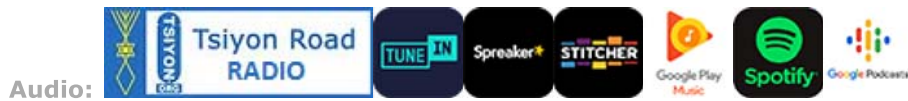

Eliyahu
