From Eliyahu

Increasing incremental pressure is being applied to the entire world. Do you see it? Do you feel the pressure in your own life? Particularly since 2015, when the globalist 2030 Agenda was adopted by all nations of the United Nations, has this increasing pressure been especially noticeable.

Have you ever heard of the Great Reset? You are living in it, and it is a deliberate plan of the globalists to change everything to their liking using chaos and trouble

as mind control weapons against the population of the world. I don't need to prove that to you. The globalist elite from the World Economic Forum themselves have told us. Besides, at this point you should have already figured that out for yourself.

It just so happens that the signs of the "end of the Age" set out for us by Messiah coincide perfectly with the Great Reset. Yeshua said:

"Take heed that no one **deceives you**.

For many will come in My name, saying, 'I am the Christ,' and will deceive many.

And you will hear of **wars and rumors of wars**.

..For nation will rise against nation, and kingdom against kingdom.

And there will be **famines**,

pestilences,

and **earthquakes** in various places,

..**they will deliver you up to tribulation and kill you**,

and **you will be hated by all nations** for My name's sake.

And then many will be offended, will **betray one another**, and will

hate one another. Many **false prophets will rise up** and deceive many.

And because **lawlessness will abound**, **love of many will grow cold**.

But **he who endures to the end shall be saved.**"

(Matthew 24:4-13 (NKJV))

Deceit on a massive scale, wars and conflicts, famine, pestilences, earthquakes and other 'natural' disasters, persecution of believers, betrayal, hatred, false prophets, lawlessness, and lovelessness are the key words here: all of them now observable on a global scale. It is true that some level of these things has always been around. However, it took the technology of the modern era to raise the level of these signs to unprecedented heights that threaten the very ongoing existence of humanity.

These are the tools of chaos that are being used with great effect by the globalists and their supporting systems of this world. When everyone is sufficiently exhausted from their chaos, and longing for a relief from all the pressure, that's when the globalist dream will be presented as the only solution - and those who dwell on the earth will embrace the global government as if it were God. As

Scripture says: "when they say, "Peace and safety!" then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape." (1 Thessalonians 5:3)

My point is this: we are all being increasingly squeezed under pressure right now. How are you coping with that? Will you endure to the end to be saved?

Men; has the massive deception of feminism feminized you? This is one outcome of the massive social pressure that men face today. I ask that, because the feminization of men is one of the outcomes the globalists had in mind when feminizing society since about the 1960s onward. Mind you, practical feminism has not been adopted by the billionaire boys club that runs the world. Oh, they pay lip service to feminism, but they do not structure their elite families according to a feminist framework. They, for the most part, follow the same tried and true patriarchal structure (even if perverted) that brought all of the wealth to their families over the generations. It is one of their major secrets of gaining, maintaining, and growing their billions. They want to strip the advantage of natural order from other men though, to diminish their power.

While feminism says men have too much power, at this point, the opposite is true. It has always been the job of righteous men to stand in the gap against thieves, rapists, murderers and despots. Such righteous men have always been the backbone of strength that protect the women, children, and elderly from victimization. Men need power to do that. That power is naturally theirs for that very purpose.

The intended effect of feminism has been to strip that power from men, to provide the wicked with easier access to those whom they would victimize. If you are a man of YHWH you need to be aware of that, and you need to deal with that social pressure by standing up for yourself and acting as a man after the pattern of Messiah Himself. The Kingdom needs men like that and cannot long endure any other sort.

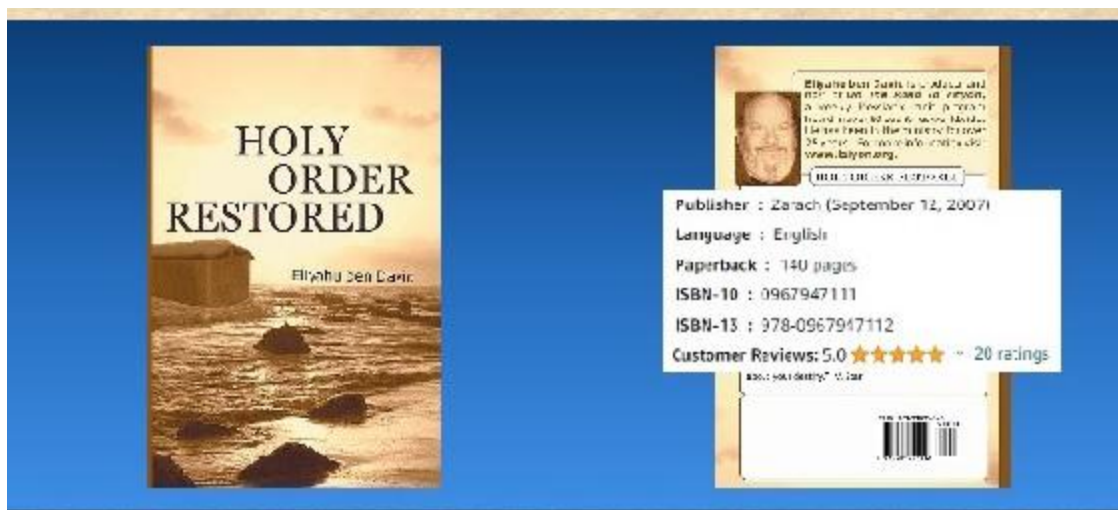

Massive pressure can pulverize giant stones into pebbles, or it can compress a lump of coal into the hardest of all stones, a diamond. Brother, what will be the outcome of this period of massive pressure on you as a man? Will it pulverize you into pebbles, useful only to be tread upon, or will you rise up in the face of the pressure to become a powerful diamond in the Lord's hand? Only you can answer that question by the choices you make. Don't be fooled. Be a man - His man.

Stand Firm Under Pressure is the theme for tonight's *Messiah's Mighty Men* panel discussion. Every man will find this well worth considering. Join us tonight, July 27, 2024, at Tsiyon.Net at 8 PM, Central. We all need this.
