From Eliyahu:

This evening at sundown the first day of the Seventh Month on the Torah Calendar is here! This will be the Day of Trumpets (Yom Teruah, the Day of Shouting)! To commemorate Yom Teruah we have prepared a special program that I know you will find both informative and interesting. Dawn and I will be bringing this to you in a conversational style with abundant graphics and visual aids. The theme of tonight's special presentation will be: *Isaiah's Hope*.

Here you will learn about this amazing prophet of YHWH who ministered during a critically important phase of Israel's history. Even though the Book of Isaiah is

quoted frequently through the Gospels, most people don't know much about this amazing man YHWH used to write it, or the background, purpose and scope of Isaiah's book. I think everyone who joins us tonight will learn things they didn't know about Isaiah, and will marvel at the breadth and depth of the message in the book of Isaiah. Please come and enjoy this with Dawn and I, and the whole Tsiyon Team!

Some of the most awesome events effecting our lives and future are commemorated in the Torah Calendar throughout this Seventh month. During all of these special days we will be bringing you exciting new presentations on the seminar theme: *Prophets, Kings, and the King of Kings*. Tonight's program, *Isaiah's Hope* is part of that seminar. All of this has been prepared with love to bless you and yours. Our prayer is that you will experience the presence of YHWH as never before through the events of this month and that you will enjoy an expanded revelation of the Divine Plan deep within your inner man!

In His Name, Eliyahu
