Atonement Day Feature **A JUST NATION**

TSIYON.NET – Tonight – 8 PM, Central Time

From Elijah:

This evening at sundown the tenth day of the Seventh Month on the Torah Calendar is here! This will be the Day of Atonement (Yom Kippur)!

Atonement Day is considered by many to be the holiest day on the Biblical calendar. Among other things, this is an appropriate time for the people of YHWH to meditate on the perfections of YHWH in His holy character. As we delve into His interactions and plans with and for His people, His great wisdom, love, justice and almighty power come into view, and we are awe-struck by His excellence and majesty.

I have personally been led to prepare a special program for you tonight that I believe will lead you deeply into the Mind of God on this Atonement Day. Dawn and I will be bringing this to you in a conversational style with abundant graphics and visual aids, much as we did on Yom Teruah. Tonight's theme for this special presentation will be: *A Just Nation*.

YHWH had a plan by which He would bless His chosen nation above all other nations in the earth. That plan is set out in the Torah, which lays out the terms of His everlasting Covenant with His nation. To receive this blessing, however, His nation would have to abide by that Covenant. If any generation of His people did not abide by the terms of the Covenant those blessings would not be forthcoming for them. Sadly, while there was always a faithful remnant, the overwhelming history of Israel is the history of lost opportunities because of disobedience.

However, what if they had obeyed? What would have happened then? That's what we will be looking into tonight. Namely, Yah's plan to bless Israel. Really, His plan is stunning. There is a wisdom in it that is far beyond anything any other nation has ever even thought of - let alone practiced. As we look at that beautiful intention of YHWH for His people you are sure to be moved to worship as you come to understand more fully what Israel could have enjoyed, and the grandeur and genius of Yah's plan. Since Israel did not cooperate with Yah's plan the world has never seen it put into action. That is why most people have no idea what His plan was all about or even how it worked. That's what we will be looking into tonight.

Our Atonement Day special tonight is the fourth episode in our ongoing *Prophets, Kings, and the King of Kings* Seminar. Tonight's program is entitled: *A Just Nation*.

You can join us at Tsiyon.Net at 8 pm Central Time for this live stream, or catch it online at popular video platforms. Come and join Dawn and I, and invite your friends. Do you know people who have been believers for years? Invite them - they haven't heard much of this, and it will be uplifting for all.

In His Name, Eliyahu
